PUBLIC (RESETTLEMENT) DEPARTMENT.

G.O.Ms.No.39 Dated 7th January 1948.

Read the following:-

G.O.No.292, Public (Resettlement) dated 5th February 1946
G.O.No.2092, Public (Resettlement) dated 2nd October 1946
From the Director of Resettlement and Employment, letter No.1482/47-A2, dated 27th November 1947.

ORDER:

It has been brought to the notice of Government that, unlike as in other Provinces, the Regional Director of Resettlement and Employment in Madras is not only engaged in finding employment for ex-servicemen and placing them in suitable jobs through the Employment Exchanges but is also responsible for the proper execution of the Provincial Resettlement Schemes started for creating avenues of employment for ex-servicemen. The Director General of Resettlement and Employment, New Delhi, has recently stated that the Regional Director should have nothing to do with the working and supervision of Ex-servicemen's Co-operative Societies. The Government have therefore decided that the administration, supervision and control of the Provincial Co-operative Resettlement of ex-service personnel should be transferred forthwith to the Registrar of Co-operative Societies who will be in entire administrative charge of all ex-servicemen's Co-operative Societies. He will exercise the required administrative and financial control through his district staff relieving the Collectors of their present responsibility.

2. Sanction is accorded for the immediate appointment of a Joint Registrar of Co-operative Societies to be in charge of all Provincial Schemes. He should be given the necessary staff to work under him at headquarters. The temporary post of Assistant Secretary (Post War Reconstruction) in the office of the Director of Resettlement and Employment sanctioned in G.O.No.967, Public (Resettlement) dated 25th March 1947 will be abolished.

3. The expenditure on account of the above sanction will be debited to "42.Co-operation - a. Direction - B. Post War Reconstruction."

4. To secure an easy transition in the transfer of the work from the Resettlement Directorate to the Registrar of Co-operative Societies the Government consider that the Joint Registrar should work for a month under the Director of Resettlement and Employment and then should go over to the Registrar of Co-operative Societies with all the staff sanctioned by the Provincial Government both at the Headquarters and in the Districts. During this period the Joint Registrar will not exercise any administrative control which will continue to vest in the Deputy Director of Resettlement and Employment.
